NEW GIRLS' DORM

The latest addition to Martin College is the new girls' residence hall, known simply as "New Hall," on the northwest corner of the campus. This handsome modern-styled building was designed by John Charles Wheeler and Associates of Nashville, and was constructed by the firm of Ewing Cartwright and Son of Shelbyville. The total cost was \$305,000. In addition to accommodations for ninety-six girls, the hall includes a lobby, a lounge, two patios, a recreation room, a chapel, and an apartment for the housemother.

The College is particularly indebted to Mr. W. H. Criswell of Nashville for the furnishings of the bedrooms, and to Miss Betty Hammond for the furnishings of the lobby and the lounge. To all our friends whose generosity has helped to make our dream a reality, we express our deep gratitude. One of the highlights of the year was the open-house reception in October. On that occasion the girls were privileged to meet many friends and benefactors of the College.

Under the able guidance of Mrs. Minnie Woodard, the girls enjoy the warmth and radiance of a homelike atmosphere. It can be truthfully said that the new hall is a real home away from home.

THE SPIRIT OF MARTIN

We, the students of Martin College, have enjoyed pursuing "quality education in an atmosphere of Christian concern." The conscientious guidance of our faculty and the leadership of our fellow students will serve as a stepping stone to an enriched and satisfying life.

Through our active participation in our campus activities, we feel that each student has developed his ability to influence and lead his fellow men. Our outlook has been widened by our association with students of all races, nationalities, and creeds. Through this brotherhood, we have found that great accomplishments can be achieved when we work together, sharing our abilities and enthusiasm. We have seen the beauty of our campus as it was covered with green grass, as it reflected brilliant colors, and as it lay under a carpet of sparkling snow. Yet, the inner beauty of our students has outshone all of this as we enjoyed the closeness of teamwork in decorating for dances, in preparing for our basketball games, and performing our daily tasks.

As we lived as one large and happy family, devoted ourselves to our studies, and assisted those in need, we became part of God's mission to the world and developed a sincere reverence for Him. We came to understand that the training we have received here on this campus should enable us to render a type of service to our communities and the world that will bring forth greater achievements for the advancement of future generations.

LEADERSHIP

OUR PRESIDENT

President Westenberger has indeed been a great asset to the students and to the faculty of Martin College. With guiding hands, he has inspired each of us to work toward greater achievements and through his sincere warmth and consideration, we have developed a better understanding of all mankind. It has certainly been a privilege to be associated with such an outstanding person.

PERSONALITIES

MAY DAY QUEEN

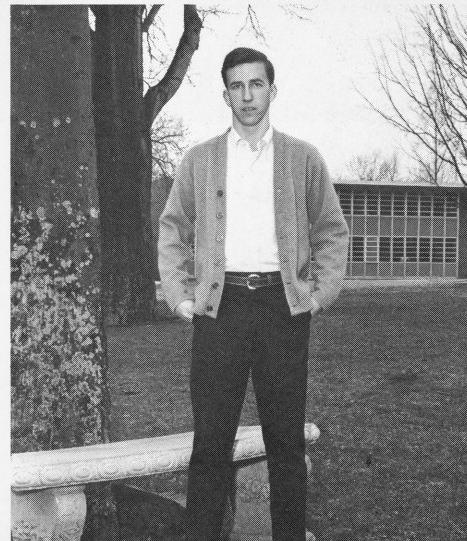

Judy Burns, a sophomore Education Major from Nashville, is the 1965 May Day Queen. Judy's vibrant personality and charming smile have won her many friends and honors. She has been Secretary of both her Freshman and Sophomore classes and also of the "M" Club. Judy represented her Freshman class as Duchess in the May Day Court last year. She has been a Campus Personality and cheerleader for two years. This year she was an attendant in the Homecoming Court. Judy takes an active interest in the chorus of which she is President. Serving on the Student Council and SCA Cabinet also takes part of her time. In addition to being a member of the Dramatics Club and the SNEA, Judy still manages to find time to serve as Feature Editor of the *Martinaire*.

MAY DAY KING

May Day King, Charles Kunzelman, could well be labeled as one of the most outstanding boys on campus. His excellent leadership ability and willingness to help others have won him many friends. As Vice-President of both the Sophomore Class and the Student Christian Association, Charles puts his abilities to use. Besides his grades meriting the Gamma Beta Phi, this versatile boy still finds the time to play first singles on the Tennis Team, as well as teaching piano lessons. A Math Major from Mt. Pleasant, Charles was elected Campus Personality, President of Phi Theta Kappa, and President of the Dorm Council. He is also a member of both the Student Council and the "M" Club. One can easily see why his classmates selected him as May Day King.

Her majesty, the lovely Helen Rose Brown and her court were presented during halftime ceremonies. Helen Rose, the daughter of Mr. and Mrs. J. Harris Brown, is a Secretarial Science Major from Westmoreland, Tennessee. The queen felt at home on the court since she is Captain of the cheerleaders and was a Homecoming attendant last year. She is a member of Phi Beta Lambda, "M" Club, Dramatics Club, and on the SCA Cabinet. She has been a Personality of the Year for two years and is a May Day Princess this year.

GOLF TEAM

The Martin College golf team didn't have a very successful season last year. This year the prospects are brighter. The golf team this year is composed of Dee Bennett from Lawrenceburg, Tennessee; Ken Snell from Eagleville, Tennessee; Jim Hite from Pulaski, Tennessee; Wayne Wilson from Pulaski, Tennessee.

TENNIS TEAM

The Martin College Tennis Team had a very good record last year, and this season looks even brighter since we have a number of experienced players. Returning from last year's team are Charles Kunzelman, Jack Elliott, Bob Young, and Ricky Rouch. Because of new rules, Carol Carter, a member of last year's team, will not be allowed to play this year.

INTRAMURAL ACTIVITIES

Intramural activities are important to Martin students in that they provide recreation and encourage teamwork.

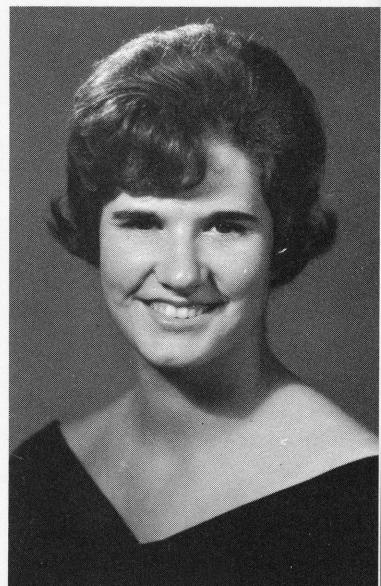

One of the highlights of intramural activities this year was a ping-pong match held in the gymnasium. This was the first time that the finals of ping-pong had been held before the entire student body.

Henry Tiong and Martin Hatzadourian play in the final ping-pong match.

OUR APPRECIATION

We would like to express our appreciation for the excellent services performed by the dietitians and other personnel. By keeping us well fed and happy, these people make the cafeteria one of the most popular places on campus.

OUR THANKS

We would like to thank those who keep our surroundings clean and healthful. They might be called the unsung heroes of Martin.

IN MEMORIAM

Dr. Robert Bernard Stone

1893-1965

On January 6, 1965, Martin College and the people of its vicinity were deeply saddened by the passing of Dr. Robert Bernard Stone, beloved teacher and friend. Dr. Stone, who came to Martin in 1940, served the College as an able professor of mathematics until a few weeks before his death. Always interested in youth, he was the State Director of the National Beta Club from 1958 to 1965. In addition, he taught the Men's Bible class of the First Methodist Church for twenty-two years.

Dr. Stone combined the qualities of a Christian gentleman, a capable leader, an esteemed member of the community, and a dedicated teacher. On the College Campus his snow-white hair was regarded by youth as a symbol of wisdom and knowledge. All who were privileged to sit at his feet have been impressed by his scholarship, his devotion to duty, and his sympathetic understanding. All who knew him have been inspired by the depth of his learning, the radiance of his personality, and the greatness of his character. Yes, all of our lives have been enriched because Dr. Stone passed our way.
